

TRAFFIC INCIDENT MANAGEMENT (TIM) Responder Training

National TIM Training Day
APRIL 9th

Kentucky's Traffic Incident Management (TIM) Responder Training Program equips first responders to move people and goods safely and efficiently on the state's highways. The revamped, Kentucky-specific training covers updated procedures and best practices for detecting, verifying, and responding to incidents, clearing scenes, and restoring traffic flow.

OPEN TO
ANYONE IN THE STATE.
KYTC, LOCALS, POLICE, FIRE, EMS, TOWING, ETC.
